VEOLIA TRANSPORTATION TRANSIT RIDERS!

***With Your Help,
We Won a
Good Contract!***

On Wednesday, a majority of Veolia Transportation Transit employees/Teamsters Local 570 members voted to ratify a new four-year union contract with Veolia. Many of you played a vital role in our struggle by calling and emailing Veolia's management and Loudoun County officials and expressing your concerns. Your efforts made a difference!

This fight was about fairness, and with your support in our efforts, we were able to achieve that. The company finally agreed to recognize our dedication by reinstating the wage progression and improving on company health care contributions.

We take our service to our riders seriously and we are happy to be able to continue this service. We thank you for your support!
