

WE'VE FILED

for Our Union Election!

We're Uniting at Baumann, Acme, Brookset and Alert!

We are proud to announce that we've filed a petition with the National Labor Relations Board (NLRB), for them to conduct a secret ballot election. The NLRB will schedule an election that will likely take place within 42 days. We will let you know the date as soon as we find out.

We want to say "thank you" for all of your work leading up to this. Now all of us need to continue to stand together so we can form our union with Teamsters Local 1205 and win the wages, benefits and respect we deserve.

Sincerely,

Your Coworkers on the Baumann, Acme, Brookset and Alert Teamsters Organizing Committee
